**PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT  
ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137(B)**

The above-identified patent application became abandoned for failure to file a proper reply to an Office Action dated November 4, 2005.

An Amendment was filed in response to the Office Action on May 4, 2006, which was the last day for filing the response, with a fee for a three month extension of time. A Request for Continued Examination was inadvertently not filed with the Amendment. An Advisory Action was issued on July 11, 2006, indicating that the Amendment was not entered because new issues were raised. At no time was there an intent to abandon the application. The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable Petition under 37 CFR 1.137

(b) was unintentional.

Enclosed is a Request for Continuing Examination (RCE).

The Commissioner is authorized to charge the Petition Fee and any other required fees to Kaye Scholer's Deposit Account 50-0988.

Respectfully submitted,
